2. Boxes arrive flat

3. Cut box in 1/2

4. Assemble both halves - NO ADHESIVE NEEDED - woo-hoo!

OPTION 1 - Place 1/2 over top the other 1/2 - it will be a tight fit and may buckle slightly - BUT when you put pretty tissue or tissue confetti in the box you won't see that

Fill with gift and decorate - here I used Stampin' UP!'s 25th Anniversary Best of Birthdays Stampset, Paper lace Doily, Real Red Cardstock, Early Espresso Ink, Daffodil Delight Ink, Oval Punch, More Amore Designer Paper and Cherry Cobbler bakers twine

OPTION 2a - Use just 1/2 the box to hold your gift - Here I used 1/2 the box for 3x3 Thank you cards for my hostess - featuring Sycamore Street Designer Paper, Sycamore Street tangerine tango Button, Petite Pretties, Mini Label Punch, White Bakers Twine, Circle Punch, Gusseted Cello Bag

OPTION 2b - Again 1/2 the box - this time I decorated the box with our new self adhesive lace tape (love this stuff!), elements Clip, hearts a flutter frame lits, more amore designer paper
