JANUARY 3-JUNE 1, 2014

card help you say?

SUITE » p. 18-19

you were born

Sending cards is simple—yet it makes a profound difference in the lives of others. We have opportunities every day to make that difference! Birthdays, anniversaries, Valentine's Day, Mother's Day, Father's Day, graduation . . . but it's those often overlooked moments that can be the most powerful. I'm regularly looking for "thinking of you" cards to let someone know they're in my thoughts.

To-Do List

- Birthday card for Tanner
- Get-well card for Leslie
- Love you card for Steve
- Anniversary card for Tom
- Thank you card for . . .
- You're the best card for . . .

An added bonus? When we send handmade cards, we feel wonderful too! We showed we cared, plus we had fun being creative—and we all know how important that is! I love that we can accomplish all of this simply by sending a card.

you're the best
