## Supplies:

- Stamp Sets: Oh, Come All Ye Faithful #139901
- Inks: Versamark #102283
- Paper: Very Vanilla Cardstock #101650, Gold Foil #132622, Winter Wonderland Vellum Paperstack #139594
- Other: Square Framelits collection #130921, Gold Embossing Powder #109129, Gold Satin ribbon #134547, Crochet Trim #134581, Metal Rim Pearls #138394

## Measurement:

Very Vanilla Cardstock – 1 piece 8.5” x 4.25”, 1 scrap piece to use for wiseman, verse

Gold Foil – 4” x 5.25”

Vellum piece – 3.75 x 5”

Ribbon – approx. 5.5” for front of card of satin & crochet  
for bow – length will depend on how big you want loops/tails

## Instructions:

1. Cut all cardstock
2. Fold ½ sheet of very vanilla cardstock and lay gold foil paper on front of card – do not adhere
3. Open card up and lay on magnetic platform - position 2.” square framelit over top of gold/vanilla layer (it will cut both at same time)
4. Lay vellum piece under opening and mark gently with pencil
5. Position 2.5” square framelit over marked area and die cut (remember this framelit is .5” bigger so you will not see any lines after cutting)
6. Layer vellum to gold foil front – I chose to run a strip of adhesive where I would place the ribbon and use one glue dot in each upper corner
7. Layer ribbon (gold satin first, then crochet trim over top edge of satin) to front of vellum/gold piece and fold ends to back of card
8. Adhere to front of vanilla base centering openings
9. Emboss wisemen and verse on scrap vanilla cardstock
10. Emboss Joseph/Mary in opening of very vanilla cardstock
11. Cut wise with paper snips, tuck under edge of ribbon
12. Cut verse and adhere
13. Tie Bow with crochet trim adhere
14. Add large metal rimmed pearl
15. Add inside greeting, sign and wish someone Merry Christmas
