Measurement:

Very Vanilla 8.5 x 4.25

Scrap of vanilla large enough for verse

Scrap of early espresso

Scrap of vanilla for extra blossom

Instructions:

1. Score & Fold Very Vanilla in half
2. Ink and stamp large flower from Birthday blooms with soft suede ink and stamp as seen in photo
3. While stamp is inky, reink with soft suede and stamp on scrap very vanilla – you just need the small bloom for use on the verse
4. Ink and stamp greeting in soft suede on scrap of very vanilla
5. Color shadowing lines on flowers with Wink of Stella Gold

6. Color rest of open space on flowers with Wink of Stella Clear
7. Squeeze daffodil delight ink pad before opening transferring some ink to lid – open and use this ink as palette with aquapainter to color center of flowers
8. Squeeze pear pizzas ink before opening transferring some ink to lid – open and use aquapainter to color leaves and stems
9. Squeeze Gold wink of stella filling tip with “extra” Gold – flick tip to splatter the card front gently. (practice first on scrap paper)
10. Die cut greeting and layering piece with Lots of labels
11. Layer labels with dimensionals and add to card front
12. Add small bloom to greeting
13. Stamp sentiment or hand write sentiment/message on inside of card
14. Place in envelope and mail or hand deliver to make someone feel special on their birthday!
