Supplies:

- **Stamp Sets** – *Paisleys & Posies* (142196)
- **Cardstock** – Island Indigo (122923) Early Espresso (119686) Copper Foil (142020) Very Vanilla (101650) Mint Macaron (138337)
- **Stamp Pads** – Versamark (102283)
- **Misc.** – Pretty Pines thinlits (141851) Copper Embossing Powder (141636) Woodgrain TIEF (127821) Pearls (119247) Layering Ovals framelits (141706)

Measurements:

Island Indigo – 11" x 5.5"

Early espresso 4" x 5.25"

Copper Foil 3.75" x 5"

Very Vanilla sized for greeting

Island Indigo/early espresso sized for oval of choice for layering

Scraps espresso, island indigo, mint macaron, copper for die cut pieces

Instructions:

1. Score and fold 11" x 5.5" piece of island indigo
2. Attached 4" x 5.25" piece of early espresso
3. Texturize copper foil with wood grain folder
4. Adhere copper foil to early espresso piece (I prefer to use tear and tape for adhering foil)
5. Emboss greeting with copper embossing powder
6. Die cut greeting with layering ovals
7. Die cut early espresso piece with layer oval large enough for greeting to layer onto
8. Die cut island indigo with scalloped oval from layering ovals
9. Layer verse to early espresso oval then layer these to the island indigo oval
10. Add greeting as seen in picture

11. Die cut pine boughs, pine cones, bow from scraps of copper, mint, island indigo – adhere to card as see. (I prefer to adhere this fine die cut pieces with fine tip glue)
12. Add pearl to center
13. Add 3.75" x 5" piece of very vanilla to inside of card
14. Add sentiment of choice and or hand written message.
