Measurements:

- Emerald Envy : 5.5" x 8.5"
- Real Red: 4" x 5.25"
- Copper Foil : 3.75" x 5"
- Whisper White: 3.75" x 5"' (for inside card)
- Scrap whisper white for greeting
- Scrap real red to layer greeting onto

Instructions:

1. Score and fold Emerald envy piece of cardstock
2. Adhere quarter sheet of real red to folded emerald envy cardstock
3. Texture copper foil piece with Holly embossing folder
4. Adhere Copper foil piece on top of real red cardstock (I like to use fast fuse or tear and tape for adhering foil paper)
5. Embossing greeting from Suite Seasons using emerald envy glitter powder
6. Die cut with circle from layering circles
7. Die cut real red piece with scallop circle slightly larger than greeting

8. Adhere greeting to real red scalloped piece
9. Cut length of cucumber crush ribbon (approx. 4.5”) layer to copper foil (tear and tape is a great adhesive for this)
10. Add greeting over ribbon with dimensionals
11. Add 3 real red dots as seen from the bold brights enamel shapes
12. Add 3,75 x 5 piece of whisper white to inside of card
13. Stamp greeting of choice or hand write message on inside of card
14. Brighten someone’s holidays with a handstamped holiday card.
