• Measurements:

- Blueberry Bushel 5 1/4" x 4"
- Whisper White Thick Cardstock 0.5" x 3"
- Shaded Spruce Cardstock 0.75" x 4"

Instructions:

1. Mix gold shimmer paint into a small amount of embossing paste on a plastic lid, piece of wax paper or something similar.
2. Use a paintbrush to add this shimmer paint mix to the leaves, pinecones areas you desire on the 5 ¼" piece of Under the Mistletoe designer paper
3. Set aside to dry – drying time will depend on humidity, how thick, how much. You can speed drying time with the heat tool on low setting.

4. Use sponge dauber to alter Whisper White Polka Dot Tulle with gold shimmer paint – again set aside to dry. Heating with heat tool will cause it to curl up.
5. Embossing greeting in Gold on strip of Whisper White cardstock
6. Notch the end of the Shaded Spruce strip of cardstock
7. When the Designer Paper and Ribbon are dry – layer the Designer piece to the front of the Gold Foil Edged Notecard, layer the Shaded Spruce Strip of cardstock, then the Tulle Ribbon, then the Greeting.
8. Add sentiment of choice to inside of notecard
9. Use coordinating Gold foiled envelope to mail or deliver your Christmas card.
