Measurements:

- Basic White Thick: 8 1/2" x 5 1/2" scored at 4 1/4"
- Basic White: 4" x 5 1/4", 3" x 5", 1 1/2" x 2"
- In Color Moody Mauve DSP: 1 3/4" x 5 1/4"

Instructions:

1. Score the Basic White Thick Cardstock at 4 1/4" and fold on the score mark to create your card base.
2. Emboss the large Basic White piece with the Stampin' Cut & Emboss machine and the Timeless Type 3D embossing folder. Adhere to the card front.
3. Adhere the Moody Mauve In Color Designer Series Paper to the front left of the card.
4. Stamp the image of the women using Tuxedo Black ink onto the larger Basic White paper.

5. Colour with the Stampin' Blends. I recommend allowing the lines of the image guide your shading. Use the dark shade on the crease lines on the shirt and pants. Colour in with the lighter shade. Use the Soft Sea Foam light blend marker to lightly shade around the image to give dimension.
6. Die cut out using the Nested Essentials dies and the Stampin' Cut and Emboss machine.
7. Adhere using Stampin' Dimensionals to the card front as shown.
8. Stamp the sentiment onto the small Basic White cardstock. Cut out using the Nested Essentials dies and the Stampin' Cut and Emboss machine.
9. Cut a length of Moody Mauve ribbon and adhere to the back of the die cut sentiment as shown.
10. Use Stampin' Dimensionals to adhere the stamped image to the card front.
